Applicant Certification: I hereby certify that I have read the instructions and examined this complete application and know the same to be true and correct. That all work done under this permit will comply with the requirements of the New York State Uniform Fire prevention and Building Code, the Village of Fayetteville Zoning Ordinance and all other applicable regulations. I also understand that the granting of this permit does not presume to give authority to violate or cancel the provisions of any other State or Local Law regulating construction or land use or the performance of construction.

INSPECTIONS REQUIRED: I understand that I am responsible to ensure that the required building inspections listed on the Building Permit are performed as construction progresses and that in no case shall construction proceed beyond any required inspection until such construction has been approved by the Code Enforcement Officer.

CONSENT TO ENTER PROPERTY: I recognize that by signing this application, I am giving consent to the Codes Enforcement Official of the Village of Fayetteville to enter the subject property for the purpose of obtaining information relevant to the processing of this application. I also understand that by acceptance of a permit, I agree to allow representatives of the Village of Fayetteville access to the property covered by the permit, at reasonable times, for the purpose of ascertaining compliance with the permit.
