JULY 2007

Village of Fayetteville

425 E. Genesee Street
Fayetteville, NY 13066

From the Office of the Mayor.....

I hope you are enjoying this great summer, I sure hope it will last through Labor Day. Once again our village is alive with summertime events and activities for everyone to enjoy.

I would like to thank the residents who returned their surveys for the comprehensive committee. The committee continues to progress on schedule, they held two public meetings last month and I was extremely pleased to see all the people who came out to express their concerns, interests and ideas of the village. As I have said in the past I believe this is one of the more important projects in our village in over 15 years. The results will help maintain the village character for years to come.

We started, on July 9th, the South Manlius Street sidewalk improvement project installing new curbing, pavers and replacing concrete sidewalks from Salt Spring Street to Clinton Street. This project addresses several on-going issues including the safety of our schoolchildren as well as pedestrians. This project is a continuation of the streetscape enhancements we have already completed around Veterans Park and the 400 block of East Genesee Street in front of Hullar's. The South Manlius Street Sidewalk Project is expected to last at least four weeks and is 100% CHIPS funded from the state.

Our DPW crew is currently looking into a new material called Flexi Pave™ to replace the existing sidewalk in front of Beard Park along Rt 257. This new product has many beneficial qualities; the flexibility of installing over the existing sidewalk surface, it is able to withstand the weight of vehicles and is a rubberized substance reducing the chance of injury. We are one of the first municipalities to use this product in Onondaga County and we are excited to see it installed and in use this summer.

FROM THE MAYOR.....

The DOT property continues to move forward, last week we applied for a grant of \$250,000 to fund the first and second phases of the project. Again, this project will take time, but everyday we make more and more progress in securing this special park for future generations. If you are interested in helping, please send me an email and we will add your name to our volunteer citizens group. It is my hopes that by the next publication of this newsletter we will have a signed lease for the property and are able to break ground. This is a slow process, but we won't give up.

Plans are in full swing for this year's Fayetteville Festival on **September 15th in Beard Park! Festivities will begin at noon and end at dusk with fireworks!** The main goal is to bring awareness of the organizations in our community that offer great opportunities to all residents day-in and day-out. The committee has been working hard planning new activities for all ages. Please mark your calendar for this great festival.....You will not be disappointed.

I would like to take this opportunity to introduce two new members of our Historic Preservation Commission, Lynn Fallon and Marcus Barns. Thank you for your interest in the historic district and your commitment to service on the village commission.

If you are interested in participating on any of our volunteer committees or boards, please send me an email or contact my office.

Please enjoy the rest of your summer and again thank you for allowing me to serve as Mayor of this exciting and beautiful village!

Mark A. Olson, Mayor

SENIOR CENTER

"Thank you to all who generously supported the Senior Center through our annual appeal. With your help we can continue our outreach to the Seniors in our community."

**Question & Answer Session
with
Town of Manlius
Supervisor Hank Chapman
And
Village of Fayetteville Mayor Mark Olson**

Tuesday, July 17 the public will have the unique opportunity to attend a "Question and Answer Session" with

Supervisor Hank Chapman* and *Mayor Mark Olson

Issues involving the Village of Fayetteville and Town of Manlius will be discussed in an informal setting at the Fayetteville Senior Center following a roast beef dinner at 6:00 pm.

Cost for the dinner is \$9.00. Reservations are necessary and must be made by Monday, July 16th by calling the Center at 637-9025.

The Stan Colella All Star Band

Our Birthday Festivities on *Wednesday July 25th* will feature *The Stan Colella All Star Band*

Lunch will be meatloaf, mashed potatoes, and vegetable and will include a reception at 11:45.

These wonderful student musicians always put on a great show. Suggested donation is \$5.00.

Chicken BBQ

Thursday evening August 16th from 4pm – 7 pm.

Take outs are available and reservations are appreciated.

Cost is \$8.

Trips.....

There are a few spots left for our trip to *"Gems along the Mohawk"* we will be taking an Erie Canal Cruise, shopping and visiting Herkimer House. Lunch will be a buffet at The Waterfront Grille. The trip is on *September 6th*.

Cost is \$75.

A new trip scheduled for *December 12th* will be to Syracuse Stage to see *"Fiddler on the Roof"*. Lunch will be at Phoebe's Garden Café. Cost TBD.

Call soon to reserve your spot.

CODE ENFORCEMENT OFFICE

Summer is here.....and if you are considering installing a swimming pool, please note that any pool capable of holding 24 inches of water requires a building permit, an electrical permit, 4 foot high fencing, and a swimming pool alarm.

Charcoal grills and propane grills cannot be located on wood decks or balconies, or within 10 feet of wood construction, except for one and two family dwellings. Propane tanks cannot be stored inside of buildings.

Bonfires are not allowed in municipalities of a population of greater than 20,000 people, (Town of Manlius, including the Village of Fayetteville). Recreational fires are allowed if their fuel area is 3 feet or less in diameter, and 2 feet or less in height.

Further details on these rules are available at the Town of Manlius Town Hall at 301 Brooklea Drive (637-8619). These rules are all part of the New York State Uniform Fire Prevention and Building Code, and are enforced by the Town of Manlius for your safety and protection.

In a Residential Zone.....according to Code 187-15(B) of the Village of Fayetteville - "No Parking shall be located in any front yard or within five feet of any side or rear lot line, except in driveways".

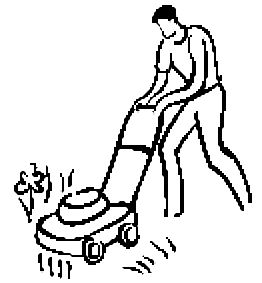

Have a pleasant and safe summer.

**David W. Tessier, Director
Planning and Development
Town of Manlius
637-8619**

DEPARTMENT OF PUBLIC WORKS

The Village of Fayetteville Department of Public Works has been busy with spring clean-up and sidewalk replacements.

Brush pickup is on Mondays. You may put yard waste in cans but not in plastic bags and, because we turn it into mulch, please do not put plastic or other items in with the brush and yard waste.

The DPW DOES NOT PICK UP GRASS CLIPPINGS!

Free mulch is available for pickup at the DPW garage, 5572 North Manlius Street.

Labor Day, September 3, and Columbus Day, October 8 are on Mondays..... brush pickup will be on Tuesday, September 4 and Tuesday, October 9.

The Village of Fayetteville participates in *Operation Separation*. Please refer to the Village “hang-tag” for specific items and days of pick up for them. If you do not have a tag, you can pick one up at Village Hall, the DPW garage, or we would be happy to drop one off.

If you will be doing remodeling or home repairs requiring a building permit from the Town of Manlius, you are responsible for hiring a contractor to dispose of any debris. If the work does not require a permit, discarded materials will be picked up by the Village DPW. Construction debris, including building materials, wood, wooden furniture, lumber, plaster, drywall, plumbing fixtures and plastic pipe (four-foot maximum) is picked up on the last Friday of each month.

During the month of July, you can dispose of old household batteries by putting them in the special orange bag and placing it on top of your trash can or bag. Please do not put batteries in the blue bin or inside trash bags or cans.

And finally, a most important reminder!!

All water going into the storm water basins is discharged into the water used for drinking, swimming, and fishing. It is imperative that this storm water runoff be kept free from contaminants. Draining swimming pools is not acceptable in the storm water management shed. Residents can also help by not dumping anything into the storm basins and to use care by properly recycling used motor oil and picking up pet waste. The Village of Fayetteville web site has a link to additional Storm Water Information.

The telephone number at the
Department of Public Works is 637-6065.

The best time to reach someone directly is between 7:30 a.m. and 11:00 a.m. Otherwise you can leave a message and your call will be returned as soon as possible.

RECREATION DEPARTMENT

The weather has been great as we start the 2007 summer season of programs offered by the Fayetteville Recreation Committee. Many thanks to all the village residents who are joining us at various times throughout these months - we enjoyed a very successful registration period and your support was fantastic!

Now that programming is in full swing, we remind you that the only activity with space still available is our Session III Summer Playground which runs July 30th - August 10th from 9am - 12noon at Fayetteville Elementary. If you are interested in joining Session III please contact the Recreation Office 637-4715

Enjoy a Safe & Active Summer!
Look for us at the Fayetteville Festival on September 15th in Beard Park.

Jan Rybinski

Clerk Treasurers Office

The Village Clerk's staff wants to thank all those who were patient with us during our tax payment receiving process. It can get very congested during the last week and your patience is appreciated.

We would also like to again thank those who expressed their appreciation of village services (trash pick-up, i.e.) and reiterate that the guys who do the work are in orange shirts and drive red trucks with our identifiers on them, they should be thanked if you have the opportunity. They should also be given space to safely perform their tasks. This request for safety on our roads extends to emergency vehicles and scenes.

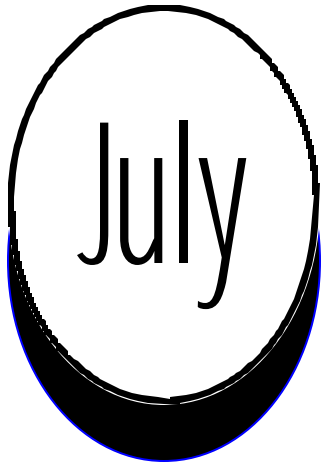

Fire, ambulance, and fire police personnel need to be cooperated with and respected. A good number of them are your neighbors who volunteer their services.

If you know someone who might be interested and qualified to succeed the Village Clerk, please have them submit a brief resume to the Village Office, 425 E. Genesee Street, Fayetteville, NY 13066 or email it to marko@fayettevilleny.gov or fax it to the Mayor's attention at 637-0106.

Lastly, the Village Hall and the Fayetteville Senior Center have been equipped for your use, as shelter, should you need them. This may come about as the result of a natural disaster or in an event where your home is inaccessible because of an emergency situation. Please keep this in mind should the need arise.

Marty Lynch
Clerk Treasurer
637-9864

CALENDAR OF EVENTS

7/14 **Syracuse Symphony**
Beard Park 7pm

7/18 **Board of Trustees Meeting**
7:30pm Board Room
