**IN THE MATTER**

**OF**

**FAYETTEVILLE ESTABLISHING ENERGY  
BENCHMARKING REQUIREMENTS FOR  
CERTAIN MUNICIPAL BUILDINGS**

**RESOLUTION**

---

**The VILLAGE BOARD OF TRUSTEES OF THE VILLAGE OF  
FAYETTEVILLE**, in the County of Onondaga, State of New York, met in regular session at the  
Municipal Building, located at 425 East Genesee Street, in the Village of Fayetteville, County of  
Onondaga, State of New York, on the 20<sup>th</sup> day of December 2016 at 6:00pm.

The meeting was called to order by Mayor Olson, and the following were present,  
namely:

Trustee Daniel Kinsella  
Trustee Michael Small  
Trustee Christopher Randall  
Trustee Dennis Duggleby

The following resolutions were moved, seconded and adopted:

**WHEREAS**, buildings are the single largest user of energy in the State of New York;  
the poorest performing buildings typically use several times the energy of the highest performing  
buildings—for the exact same building use; and

**WHEREAS**, collecting, reporting, and sharing building energy data on a regular basis  
allows municipal officials and the public to understand the energy performance of municipal  
buildings relative to similar buildings nationwide, and equipped with this information the Village  
of Fayetteville is able to make smarter, more cost-effective operational and capital investment  
decisions, reward efficiency, and drive widespread, continuous improvement; and

**WHEREAS**, the Village of Fayetteville Board of Trustees desires to use Building  
Energy Benchmarking, a process of measuring a building's energy use, tracking that use over  
time, and comparing performance to similar buildings, to promote the public health, safety, and  
welfare by making available good, actionable information on municipal building energy use to  
help identify opportunities to cut costs and reduce pollution in the Village; and

**WHEREAS**, as such the Village Board desires to establish procedure or guideline for  
Village staff to conduct such Building Energy Benchmarking; and

**NOW THEREFORE, IT IS HEREBY RESOLVED AND DETERMINED,** that the following specific policies and procedures are hereby adopted and imposed as active and affirmative financial internal control procedures of the Village of Fayetteville;

## **BUILDING ENERGY BENCHMARKING POLICY/PROCEDURES**

### **§1. DEFINITIONS**

(A) “Benchmarking Information” shall mean information generated by Portfolio Manager, as herein defined including descriptive information about the physical building and its operational characteristics.

(B) “Building Energy Benchmarking” shall mean the process of measuring a building’s Energy use, tracking that use over time, and comparing performance to similar buildings.

(C) “Commissioner” shall mean the head of the Department.

(4) “Covered Municipal Building” shall mean a building or facility that is owned or occupied by the Village of Fayetteville that is 1,000 square feet or larger in size.

(5) “Department” shall mean the Village of Fayetteville Clerk’s Office.

(6) “Energy” shall mean electricity, natural gas, steam, hot or chilled water, fuel oil, or other product for use in a building, or renewable on-site electricity generation, for purposes of providing heating, cooling, lighting, water heating, or for powering or fueling other end-uses in the building and related facilities, as reflected in Utility bills or other documentation of actual Energy use.

(7) “Energy Performance Score” shall mean the numeric rating generated by Portfolio Manager that compares the Energy usage of the building to that of similar buildings.

(8) “Energy Use Intensity (EUI)” shall mean the kBtUs (1,000 British Thermal Units) used per square foot of gross floor area.

(9) “Gross Floor Area” shall mean the total number of enclosed square feet measured between the exterior surfaces of the fixed walls within any structure used or intended for supporting or sheltering any use or occupancy.

(11) “Portfolio Manager” shall mean ENERGY STAR Portfolio Manager, the internet-based tool developed and maintained by the United States Environmental Protection Agency to track and assess the relative Energy performance of buildings nationwide, or successor.

(12) “Utility” shall mean an entity that distributes and sells Energy to Covered Municipal Buildings.

(13) “Weather Normalized Site EUI” shall mean the amount of Energy that would have been used by a property under 30-year average temperatures, accounting for the difference between average temperatures and yearly fluctuations.

## **§2. APPLICABILITY**

(1) This policy is applicable to all Covered Municipal Buildings as defined in Section 2 of this policy.

(2) The Commissioner may exempt a particular Covered Municipal Building from the benchmarking requirement if the Commissioner determines that it has characteristics that make benchmarking impractical.

## **§3. BENCHMARKING REQUIRED FOR COVERED MUNICIPAL BUILDINGS**

(1) No later than December 31, 2016, and no later than May 1 every year thereafter, the Commissioner or his or her designee from the Department shall enter into Portfolio Manager the total Energy consumed by each Covered Municipal Building, along with all other descriptive information required by Portfolio Manager for the previous calendar year.

(2) For new Covered Municipal Buildings that have not accumulated 12 months of Energy use data by the first applicable date following occupancy for inputting Energy use into Portfolio Manager, the Commissioner or his or her designee from the Department shall begin inputting data in the following year.

## **§4. DISCLOSURE AND PUBLICATION OF BENCHMARKING INFORMATION**

(1) The Department shall make available to the public on the internet Benchmarking Information for the previous calendar year:

(a) no later than December 31, 2016 and by September 1 of each year thereafter for Covered Municipal Buildings; and

(2) The Department shall make available to the public on the internet and update at least annually, the following Benchmarking Information:

(a) Summary statistics on Energy consumption for Covered Municipal Buildings derived from aggregation of Benchmarking Information; and

(b) For each Covered Municipal Building individually:

(i) The status of compliance with the requirements of this Policy; and

(ii) The building address, primary use type, and gross floor area; and

(iii) Annual summary statistics, including site EUI, Weather Normalized Source EUI, annual GHG emissions, and an Energy Performance Score where available; and

(iv) A comparison of the annual summary statistics (as required by Section 5(2)(b)(iii) of this Policy) across calendar years for all years since annual reporting under this Policy has been required for said building.

## **§5. MAINTENANCE OF RECORDS**

The Department shall maintain records as necessary for carrying out the purposes of this Policy, including but not limited to Energy bills and other documents received from tenants and/or Utilities. Such records shall be preserved by the Department for a period of three (3) years.

## **§6. ENFORCEMENT AND ADMINISTRATION**

(1) The Commissioner or his or her designee from the Department shall be the Chief Enforcement Officer of this Policy.

(2) The Chief Enforcement Officer of this Policy may promulgate regulations necessary for the administration of the requirements of this Policy.

(3) Within thirty days after each anniversary date of the effective date of this Policy, the Chief Enforcement Officer shall submit a report to the Village of Fayetteville Board of Trustees including but not limited to summary statistics on Energy consumption for Covered Municipal Buildings derived from aggregation of Benchmarking Information, a list of all Covered Municipal Buildings identifying each Covered Municipal Building that the Commissioner determined to be exempt from the benchmarking requirement and the reason for the exemption, and the status of compliance with the requirements of this Policy.

**FURTHER RESOLVED**, the Village Board, in regular session duly convened, does hereby authorize and direct the Mayor or Clerk-Treasurer of the Village of Fayetteville to execute such other and additional documents as may be required for to perfect the resolutions herein;

The adoption of the foregoing Resolution was moved by Trustee Randall, seconded by Trustee Small, and duly put to vote, which resulted as follows

Trustee Kinsella	Aye
Trustee Small	Aye
Trustee Randall	Aye
Trustee Duggleby	Aye

**THIS RESOLUTION WAS ADOPTED.**

**I, Lorie C. Corsette**, Village Clerk of the Village of Fayetteville, **DO HEREBY CERTIFY** that the preceding Resolution was duly adopted by the Village Board of Trustees of the Village of Fayetteville at a regular meeting of the Board duly called and held on the 20th day of December, 2016; that said Resolution was entered in the minutes of said meeting; that I have compared the foregoing copy with the original thereof now on file in my office; and that the same is a true and correct transcript of said Resolution and of the whole thereof.

**I FURTHER CERTIFY** that all members of said Board had due Notice of said meeting.

**IN WITNESS WHEREOF**, I have hereunto set my hand and affixed  
The seal of the Village of Fayetteville, this 20<sup>th</sup> day of December, 2016.

---
