Dear Friend of Fayetteville,

May 2018 will begin the tenth year of the beautification project of lining the main streets of Fayetteville and historic Limestone Plaza with beautiful flower pots so many enjoy. You may have said or echoed the comments of others about the way the pots enhance our community; "What an amazing, stunning way to highlight our Village.", "Magnificent, makes me proud to live in Fayetteville." or "We are so fortunate to live in such a beautiful place."

The Village of Fayetteville fully funded the first year of this project placing 30 flower pots along East Genesee Street and through your generous donations and fund raising events the project has grown to placing 70 flower pots throughout our Village. It is the goal of the Beautification Committee to make this a self sustaining project. We sincerely thank everyone who has given so generously to this project. To continue its' success we ask you to please consider a donation for 2018.

Gratefully,

Karen Littler, Molly Loh, Betsy Pfohl, Diane Gaggin and Lynn Greene - Committee Members
