Renewable Fayetteville Workshop

When? Thursday January 25 from 6:00 – 7:00 pm

**Where? Fayetteville Free Library
Community Room AB**

Topic? KITCHEN COMPOSTING

**How to dispose of kitchen waste while keeping it out of the landfill.
What can and cannot be composted. How to get started.**

Presented by Mark Matt, Village Trustee, Fayetteville, followed by group discussion.

Renewable Fayetteville hosts a series of workshops in the Village of Fayetteville to educate residents on climate change and show them what they can do to help mitigate their impact.
