

# VILLAGE OF FAYETTEVILLE

## NEWSLETTER

Weather permitting, pond  
open for ice skating!  
Check posted signs.

**We would  
♥ your  
input!**

The Village of Fayetteville Comprehensive Plan 2021-2022 update offers an opportunity to revisit and refine the community's vision, goals, and strategies to ensure the final plan reflects the desired outcome for the people who live, work, and recreate here.

The comprehensive plan update is revisiting the 2014 plan, utilizing updated data to identify trends, and changes that have occurred over the past decade. In addition to the assistance from the planning consultant team, Environmental Design Research (EDR), **the community is integral to the process, providing critical feedback** on the vision, goals, and strategies, as well as the approach to future land use considerations, policies, and the highest and best uses for our spaces. This will ultimately help guide future decision-making, capital investments, and programmatic initiatives for the village.

## Mayor's Message

**Mayor Mark Olson**  
[molson@fayettevilleny.gov](mailto:molson@fayettevilleny.gov)

Happy New Year!!! On behalf of the Village of Fayetteville I want to wish you all a happy and safe 2022! This newsletter is focused on our comprehensive plan which is very important to us. We are also busy with several initiatives as well as getting ready for spring projects throughout the village.

I want to thank all our dedicated employees as well as our incredible volunteers who help make our village so vibrant. During this last surge of Omicron, we were tested not only as a village but with our employees and services we offer; we were very fortunate that only a few of our DPW & Fire employees were affected. This has taught us a valuable lesson on how to pivot and focus again on vital services for our residents.

Thank you to everyone who helped with our Covid tests & masks giveaways. After the first giveaway we learned what needed to be changed then we made it happen; the second giveaway went very well. I appreciate everyone's patience during this trying time. Please be assured we are focused on helping everyone get tested and staying safe while working every day on making our Village the best it can be. My goal has always been to make our village a home that everyone can be proud of.

Thank you for taking the time to read the newsletter and see what is happening in our great village. Stay warm, spring will be here soon! Please don't hesitate to email or call the village hall if you have any questions regarding the newsletter.

And please note there is a proposition on the village ballot regarding the cannabis law. Your vote is important. The village election is Tuesday, March 15th from 6am to 9pm.
